STATEMENT OF OBJECTS AND REASONS

Government have been experiencing much difficulties in finding sufficient funds from the normal resources of the State for planting softwood trees and other species of trees required as raw material for industries and for forest research. In order to get over this difficulty it is proposed to levy a tax on the disposal by sale of forest produce at the rate of five per cent of the amount of consideration for the sale. The tax is proposed to be levied in addition to the tax payable on such sales under the Kerala General Sales Tax Act, 1963 or under any other law for the time being in force.

2. It is also proposed to provide for the establishment of a fund called the Kerala Forest Development Fund which could be utilised for plantation of softwood and other species of trees which form raw material for industries and for forest research.

3. The Bill seeks to amend the Kerala Forest Act for the above purposes.

FINANCIAL MEMORANDUM

By the levy and collection of the tax under the new section 75A proposed to be inserted by clause 2 of the Bill, a revenue of Rs. 150 lakhs is anticipated for a year. In connection with the collection of the tax and maintenance of proper accounts, the services of ten Lower Division Clerks will be additionally required. The additional expenditure on this account will be about Rs.74,700 per annum. The balance amount which will accrue to the Development Fund will be utilised for the purposes mentioned in sub-section (5) of the proposed new section 75B. For this purpose no additional expenditure is anticipated.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Sub-section (5) of section 75B under Chapter XA proposed to be inserted in the Kerala Forest Act, 1961 (4 of 1962), by clause 2 of the Bill, seeks to provide that the amount standing to the credit of the Kerala Forest Development Fund shall be expended in such manner and subject to such conditions as may be prescribed by rules made under the Act. Sub-section (6) of the said section seeks to provide that the Development Fund shall be held and administered on behalf of the Government by an officer not below the rank of Chief Conservator of Forests subject to such general or special directions as may be given by the Government from time to time.

2. The matters in respect of which rules may be made or directions may be issued are matters of an administrative or routine nature. The delegation of legislative power is thus of a normal character.

STATEMENT OF OBJECTS AND REASONS

Encroachments on road margins have been increasing and it is becoming more and more difficult to improve and widen the highways which results in serious impediments to road traffic. The safety in operation and the efficiency of road transport is getting seriously hampered due to the fast growing ribbon development alongside the highways.

2. To provide for the restriction of ribbon development along highways for the prevention and removal of encroachment thereon, for the construction, maintenance and development of highways, for the levy of betterment charges and for certain other matters, it has become an imperative necessity to enact suitable legislation.

3. The Bill is intended to achieve the above objects.

FINANCIAL MEMORANDUM

Clause 4 of the Bill seeks to provide for the appointment of Highway Authorities. Clause 6 seeks to provide for the appointment of such officers and servants as the Government may consider it necessary to serve under each Highway Authority.

2. Clause 15 of the Bill provides for the acquisition of land or right or interest in land required for a highway. Clause 19 provides for payment of amount as interim compensation.

3. Chapter V of the Bill seeks to provide for the payment of compensation for acquisition under clause 15 of land or right or interest in land, or for any damage that may be caused in the exerise of certain powers.

4. The amount of the expenditure that will have to be incurred will depend upon the number of officers and servants to be appointed to serve under the Highway Authorities, the extent of land that may have to be acquired etc. Therefore, it is not possible at this stage to estimate with any degree of accuracy the expenditure to be incurred by the enactment of the Bill.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 3 of the Bill seeks to empower the Government to declare, by notification, any road, way or land to be a highway and to classify it as a State Highway, a major district road, other district road or a village road. Clause 4 seeks to empower the Government to appoint Highway Authorities. Under clause 6, Government have power to appoint such officers and servants as they deem necessary to work under the Highway Authorities. Clause 7 seeks to empower the Government to fix by notification in the Gazette the boundaries of highways, the building line and the control line. Sub-clause (3) of clause 13 seeks to empower the Highway Authority to publish by notification in the Gazette the date on which the existing right of access to a highway has been diverted and alternative access has been given. Clause 15 seeks to empower the Government to publish a notification in respect of any land which shall be deemed to be a declaration that the land is needed for the purpose of a highway. Clause 28 seeks to empower the Government to authorise officers to make awards. Sub-clause (2) of clause 35 seeks to empower the Government to prescribe the form in which an application under sub-clause (1) of that clause shall be made. The Explanation to clause 43 seeks to empower the Government to specify, by notification in the Gazette, the date of commencement of the construction of any work and the date of completion of such work.

2. Clause 71 seeks to empower the Government to make rules, subject to the condition of previous publication, to carry out the purposes of the Act. The matters in respect of which rules may be made relate *inter alia* to the manner in which notifications may be published in villages and at the headquarters of taluks under sub-clause (2) of clause 7, the other places at which copies of map may be open to inspection under clause 8, the form of application and its contents under sub-clause (2) of clause 9, the manner in which a reference shall be made under clause 35 or clause 44, and the conditions on which any land may be relinquished or delivered in exchange in favour of the Government under clause 48.

3. The matters in respect of which notifications may be issued or rules may be made are of an administrative or procedural nature. Further the rules shall be subject to the scrutiny of the Legislative Assembly. The delegation of Legislative power is thus of a normal character.
